I, Leesa Manion, Prosecuting Attorney for King County in the name and by the authority of the State of Washington, do accuse EUGENE VANELL PIPER of the following crime[s]:  
**Murder In The Second Degree**, committed as follows:

Count 1 Murder In The Second Degree

That the defendant EUGENE VANELL PIPER in King County, Washington, on or about February 12, 2023, while committing and attempting to commit the crime of Assault in the Second Degree, and in the course of and in furtherance of said crime and in the immediate flight therefrom, and/or with intent to cause the death of another person, did cause the death of Elijah Chase Dye, a human being, who was not a participant in said crime, and who died on or about February 12, 2023;

Contrary to RCW 9A.32.050(1)(a), (b), and against the peace and dignity of the State of Washington.

3 PROSECUTING ATTORNEY CASE SUMMARY AND REQUEST FOR BAIL AND/OR  
4 CONDITIONS OF RELEASE

5 The State incorporates by reference the Certification for Determination of Probable Cause  
6 prepared by Detective Benjamin Blakeman of the King County Sheriff's Office for case number  
7 C23005082.

8 Pursuant to CrR 2.2(b)(2)(i) and (ii) the State requests that the Court set bail in the  
9 amount of **\$2,000,000.00**. The defendant's past warrant history demonstrates that he will not  
10 appear in response to a summons and, furthermore, the issuance of a summons would not be  
11 appropriate based upon the danger he poses to the community given the violent nature of the  
12 present offense.

13 Despite the continued efforts of the King County Sheriff's Office and other law  
14 enforcement agencies to locate and apprehend the defendant, he has continued to evade arrest.  
15 As the defendant is presently not in custody, bail has not been previously addressed. The  
16 defendant's current whereabouts remain unknown and, as such, the State is seeking the issuance  
17 of an arrest warrant via separate motion.

18 According to multiple witness, the defendant shot the victim in the chest following a  
19 verbal exchange between the two. Surveillance footage recovered from local business captured  
20 the events leading up to, during, and following the shooting. Taken collectively, the evidence  
21 amassed thus far reveals that the defendant perpetrated a deliberate assault on the victim which  
22 he committed using a firearm and that resulted in fatal injury.

2 CERTIFICATION FOR DETERMINATION OF PROBABLE CAUSE

3 That Benjamin Blakeman is a (n) Detective with the King County  
4 Sheriff's Office and has reviewed the investigation conducted in the King  
County Sheriff's case number (s) C23005082;

5 There is probable cause to believe that Piper, Eugene V., 4/25/1986  
6 committed the crimes (s) of RCW 9A.32.050 Murder in the Second Degree.  
This belief is predicated on the following facts and circumstances:

7 On 2/12/2023 at 2208 hours the King County Sheriff's Office Communication  
8 Center received a 911 call from P.E. (whose full identity is known to law  
9 enforcement) reporting that there had just been a shooting at the 76 gas-  
10 station located at 14807 1st Ave S, Burien, King County WA. P.E. stated that  
his friend had been shot in the chest. He stated that the suspect had left  
the area on foot and described him as a black male wearing a camo facemask,  
black jacket, black pants and carrying two backpacks.

11 KCSO Deputies arrived at the scene within a few minutes and located the  
12 victim, Elijah Chase Dye, 5/24/1995, laying on the ground in the alleyway  
between the 76 Gas station and the El Antojo restaurant located at 119 SW 148  
13 ST, Burien, King County WA. Deputies observed what appeared to be a single  
gunshot wound to the middle of his chest. P.E. told the responding Deputies  
14 that Dye, who he knew as "Chase", had gotten into a verbal argument with the  
shooter who P.E. did not know personally but had been told by other witnesses  
was named, "Eugene." P.E. witnessed the verbal exchange between Dye and  
"Eugene" and saw "Eugene" pull a revolver out of his waistband and shoot it  
at Dye once. P.E. then saw "Eugene" walk away west bound on SW 148 ST.

15 KCSO Deputies conducted a search of the immediate area for "Eugene" based a  
16 description that P.E. had initially provided but were unable to find him. At  
2301 hours Dye was declared deceased at the scene.

17 Several others witnessed the shooting, including M.S. (whose identity if  
18 known to law enforcement). M.S. provided an initial statement to Deputy  
Brannon at the scene and subsequent recorded statements to me. M.S. said she  
19 has known "Eugene" for approximately 6 years, although she does not know his  
last name. She knows that he sometimes goes by a nickname, "Swiper." She  
20 described him as a mix-race white/black male with light black skin, with  
short black hair, and "super-skinny" build. She said that on the day,  
21 "Eugene" was wearing a black hoodie with the hood pulled up, a zipped-up  
black windbreaker, a lanyard with a torch tied to it, and a black beanie  
22 which she stated he had dropped near the restaurant when he was leaving. When  
I asked her if he had a mask or face-covering, she said that he had one on  
that could be pulled up over his face, but it was not pulled up. She  
described it as being camo pattern.

23 M.S. said approximately 20-30 minutes before the shooting she had been walking  
24 around the Burien Transit Center, located at 14900 4th Ave SW, Burien,  
approximately 3 blocks west of where the shooting occurred. She ran into  
25 "Eugene" there, as she often does as he is also homeless and spends time in  
and around downtown Burien. They decided to hang out and they then walked  
together to the El Antojo restaurant and sat down on the east side of the

1 building. This portion of the restaurant is immediately behind and to the  
west of the 76-gas station.

2 M.S stated that Dye and P.E, both of whom she knows, walked up to where  
3 "Eugene" and her were seated and began to talk to her. She and "Eugene" were  
4 sitting on the ground and Dye stood next to them. Per M.S., this appeared to  
5 bother "Eugene" and he told Dye to back up. Dye told "Eugene" to calm down  
6 and this angered "Eugene" who then stood up. Dye and "Eugene" had a back-  
7 and-forth verbal exchange and, eventually, the two walked northbound  
8 approximately 10 feet away from where M.S. was still sitting. She could tell  
9 that they were talking to each other, but she could not hear exactly what  
10 they were saying and was only partially paying attention to them. M.S was  
11 talking to P.E when she heard a very loud bang sound. She looked back towards  
"Eugene" and Dye and saw "Eugene" turn around and start quickly walking  
heading northbound. I asked her if she knows what the bang sound was and she  
replied, "It was Chase [Dye] getting shot." I asked her why she believes  
that, and she said that after "Eugene" walked away, Dye walked over near her  
and sat down on the ground and looked at her. She asked him if he was okay as  
he was "looking at me kind of funny" and Dye did not respond and then fell  
down into a laying position and "started seizing". M.S. could then see what  
she believed to be blood on his pants. She stated that she did not know where  
"Eugene" was but suspected that he likely walked to the Transit Center and  
got on a bus.

12 I, Detective Benjamin Blakeman, arrived at the scene at approximately 2330  
13 hours and met with P.E. and conducted a recorded interview with him. P.E.  
14 stated that he and Dye had watched the Super Bowl at P.E's apartment earlier  
15 in the evening. P.E. then decided to go down to the Burien Transit Center  
and talk to some people he knows to spend time there. Dye agreed to go, and  
they eventually made their way to the alleyway/strip of land between the 76  
Gas station and the El Antojito restaurant. Once there P.E. saw a woman he knew  
to be M.S. (though P.E. referred to her by first name) sitting on the ground  
on the east side of El Antojito, along with a male subject he did not know.

16 P.E. knelt down near the ground to speak with M.S. and the unknown male  
17 subject said, "This guy's too close." P.E told the male subject that it was  
18 okay as he knew M.S. The male subject moved M.S's legs so that he could stand  
19 up and said that he was going to be leaving. The male subject got up and  
20 started to walk northbound towards SW 148 ST but was "talking trash" as he  
21 walked away. Dye said something to the unknown male as he walked away, and  
22 P.E tried to deescalate the situation. Dye started to walk toward the unknown  
23 male subject, who after walking a short distance turned back around to face  
towards the south and, per P.E., "started talking shit" to Dye. P.E. then saw  
the unknown subject pull out a "revolver." P.E. immediately recognized the  
firearm as being a chrome or silver revolver. P.E stated he yelled, "gun gun  
gun gun!" The unknown male fired a single round towards Dye's chest from  
approximately 3 feet away. The male subject then walked away north bound  
towards SW 148 ST. Dye turned back towards P.E. and walked over to the side  
of the restaurant and then sat down. Very shortly thereafter, Dye laid down  
on the ground. P.E. then called 911.

24 P.E described the person who shot Dye as a black male in his late twenties or  
25 early thirties, wearing a black beanie and a camo-pattern ski-mask that was  
pulled down below his chin, exposing his face. He described the suspect as  
very thin and shorter than 5'11". He described the suspect's clothing as  
being a black jacket, black jeans with a blue bandana for a belt. He  
described the firearm as being a mid-size chrome revolver.

Certification for Determination  
of Probable Cause

Prosecuting Attorney  
W 554 King County Courthouse  
Seattle, Washington 98104-2312  
(206)296-9000

1 As part of this investigation, video surveillance was recovered from the El  
2 Antojito restaurant and the 76 gas-station. El Antojito has a CCTV camera that  
3 captures both video and audio located on the northeast corner of the  
4 building. I walked through the scene and observed a black beanie-style hat  
5 laying on the ground at the northeast corner of the restaurant. Deputy  
6 Brannon advised that M.S. had said that she thinks that "Eugene" dropped the  
7 beanie. It was seized as evidence. No fired casings were found at the scene,  
8 which is consistent with P.E.'s description of the firearm as being a  
9 revolver as revolvers do not eject fired casings. While on scene I met with a  
10 King County Medical Examiner's Office Investigator and viewed Dye's body  
11 where I observed a single, circular wound on the left side of his chest.  
12 There was no apparent exit wound, and I did not see any other visible  
13 injuries anywhere on his body.

14 I reviewed the CCTV camera footage from the northeast corner of the El Antojito  
15 restaurant. The recording showed M.S., whom I immediately recognized from my  
16 conversation with her as she was still wearing the same clothes, walking east  
17 bound on SW 148th ST on the sidewalk on the south side of the road,  
18 approaching El Antojito. She was walking with a male subject. The two entered  
19 the restaurant parking lot at approximately 2124 hours on 2/12/2023. They  
20 then walk directly below the camera which captured the male subject's  
21 clothing and face. The subject appeared to be a very thin black male, wearing  
22 a black beanie positioned loosely on top of his head and sits on top of a  
23 multicolored balaclava style head-cover. He appeared to have two hooded  
24 jackets on, a grey one underneath of a black one, and was wearing a backpack  
25 strapped onto both shoulders. He looked to be carrying a second backpack on  
just his right shoulder. He was seen holding the strap of the second backpack  
with his right hand and the top of his hand and fingers were visible,  
revealing what appear to be large, shiny metal rings on all 4 fingers other  
than his thumb. He appeared to be wearing black jeans with a blue bandana  
that was used as a belt and black athletic shoes. He also appeared to have a  
necklace on, possibly a lanyard, with something hanging from it. His nose had  
a very unique profile as it appeared to be very large and very pointed. He  
appeared to have a black mustache and a black goatee.

At the 22:08:14 hours mark of the El Antojito video, a male subject can be  
heard saying, "he's got a gun." At 22:08:16 hours a single, very loud bang  
sound, consistent with a gunshot, is heard. At 22:08:20 hours the male  
subject who was seen walking into the area with M.S. is then seen walking  
from the alley area into the parking lot on the north side of the restaurant,  
still carrying the black and green backpacks and wearing all the same clothes  
except for the black beanie. He is seen walking quickly north bound through  
the parking lot and once he reaches the sidewalk on the south side of SW  
148th ST he is seen jogging west bound towards the transit center. He jogs  
out of frame at approximately 22:08:41 hours.

I also reviewed CCTV recordings recovered from the 76 gas-station, primarily  
from a camera located on the east wall that points directly at the east side  
of El Antojito and the dirt area where the shooting occurred. There is no audio  
associated with this video. The video recording shows M.S. and another  
person sitting on the ground next to the east wall of El Antojito. Dye can be  
seen standing directly east of them, approximately 2-3 feet away, with P.E.  
standing a few feet to the south of him.

The video shows the person sitting with M.S. eventually stands up and walk  
north bound through the dirt alley area, past and away from Dye. That person  
is then seen walking approximately 10 feet, then turning around and walking

1 backwards as he faces everyone else. Dye can be seen looking towards that  
2 person and motioning towards him with his hands. This person then stops and  
3 stands still, approximately 15 feet north of Dye, and they appear to be  
4 talking to each other. After a few seconds, the person turns northbound and  
5 again starts to walk to the north. He is seen getting halfway to the north  
6 edge of the business when he turns around again to face southbound and takes  
7 a few steps towards Dye. Dye then turns to face towards the person and begins  
8 quickly walking towards him.

9 The person is then seen walking backwards quickly while Dye walks towards him  
10 at about the same pace. As the person reaches the north edge of the building  
11 he is seen reaching towards his right hip with his right hand and then  
12 quickly pointing it towards Dye. The video resolution is not high enough to  
13 see what is in his hand, but he does appear to point some kind of object  
14 towards Dye very quickly. Dye immediately reacts and winces his body,  
15 reaching his right hand to his chest area. The person is then seen running  
16 north bound through the parking lot towards SW 148 ST. Dye is then seen  
17 turning back around and walking south bound approximately 20 feet until he  
18 reaches the area where Stapleton is still sitting. Dye then sits down for a  
19 few seconds, then falls onto his side in the prone. He is never seen getting  
20 back up.

21 A search of the KCSO records database was conducted to identify the unknown  
22 male who shot Dye. That search revealed that there is a black male with  
23 the moniker/nickname of "Swyperz", named Eugene V. Piper, 4/25/1986. I  
24 located his WA State DOL photo and a King County Jail booking photo from the  
25 end of 2021. He is a black male with short black hair, a very thin build, a  
very large distinct nose, a black mustache, and black goatee. He very closely  
resembles the male subject seen in the El Antojito CCTV recordings and the  
description provided by both M.S. and P.E. I located a Facebook account with  
the name, "Eugene Piper", which is a public account that has numerous photos  
of Piper, all of which show him as being a very thin build black male, with  
short black hair, a very large, pointy nose, a black mustache and a black  
goatee. In several photos he is seen smiling and his teeth are all intact and  
very white, except for one of his front middle teeth which appears to have a  
crown or a dark-colored cover of some kind. I also located a photo that shows  
him wearing large, metal shiny rings on the fingers of his right hand,  
similar to the ones seen in the CCTV recording.

During one of her recorded interviews with me, M.S. was asked about "Eugene's"  
physical characteristics. She said that he is not balding and has a solid  
hair line. She stated that he has a mustache and a goatee, which she  
described as being a "van dyke", "devil mustache." I asked about his teeth,  
and she said that his teeth are normal but that she thinks he has a "cap" on  
one of them, "on one of the front ones." She said that it could be a missing  
tooth, but she believes that it is a cap of some kind. I showed her a selfie-  
style photo from Piper's Facebook page and asked her to tell me if it was  
"Eugene", and she immediately said, "Yes!".

At 0830 on 2/13/2023 hours I observed Dye's autopsy at the King County  
Medical Examiner's Office. The medical examiner advised that the only  
exterior injury observed on Dye's person was the apparent gunshot wound to  
the chest, just to the left and below his sternum. Internal examination  
revealed projectile (a bullet) lodged in his spine that appeared to have  
severed Dye's aorta. The projectile was recovered and released it to me at  
the ME's office. The medical examiner used a precision caliper to measure the  
diameter base of the bullet and found it to be 0.35". Based on my training

1 and experience with firearms and ammunition, I know this to consistent with  
2 the standard diameter of approximately 0.357" of .38 Special projectiles, the  
3 most common revolver cartridge. I also examined the recovered bullet and  
4 observed it to have a jacketed hollow-point design and it appeared as though  
5 the hollow-point partially collapsed inward. The medical examiner provided  
6 me with a single piece of the jacket that had separated from the bullet.

7 I found the total weight of the bullet and jacket fragment to be 7.06 grams,  
8 or 108 grains. I know the common projectile weights for fully intact (bullet  
9 and jacket) .38 Special are 100 grains, 110 grains, 125 grains, 135 grains,  
10 147 grains, and 158 grains. Based on my extensive training and experience  
11 with firearms and ballistics, the projectile appears to have the unique  
12 characteristics of a Hornady Critical Defense 110-grain .38 SPL round.

13 As part of this investigation, I also reviewed CCTV recordings recovered from  
14 the Burien Transit Center. Portions of the recordings appear to capture Piper  
15 walking into the Transit Center at approximately 2209 hours on 2/12/2023 and  
16 boarding a bus (coach) at approximately 2211 hours.

17 On 2/15/2023 King County Metro provided me with the CCTV recordings for Coach  
18 #7199 from 2/12/2023, which appears to be the bus that Piper boarded. Coach  
19 7199 is seen driving through the Burien Transit Center pickup-area and  
20 approaching the southeast corner of the rider area at 22:11:45 hours. At that  
21 point in time no one other than the driver is on the bus. At 22:11:54 the bus  
22 comes to a stop and Piper and two other, unidentified male subjects are seen  
23 getting onto the bus. As Piper gets on it appears that he swipes an ORCA card  
24 at the entry scanner. He then walks to the rear of the bus and sits in the  
25 second to last row on the driver's side. The other male subjects who enter  
the bus do not sit with him and they do not appear to be together. The bus  
then leaves the transit center. Piper is still wearing what appears to be a  
multi-colored balaclava, the black jacket and black pants and carrying two  
backpacks when he gets onto the bus. The interior cameras, though in a  
somewhat night-vision mode where the recordings appear in black and white,  
record in high resolution. From the video I was able to observe what  
appeared to be bright metallic rings visible on both of his hands on numerous  
fingers, consistent with the CCTV recordings from El Antojo.

During relevant portions of the bus footage Piper is seen removing a  
balaclava and taking his hood down, revealing his entire head and face. He  
looks directly at one of the interior cameras numerous times after this point  
in time and his facial features are clearly visible. His appearance looks to  
be a match to his booking photo that I reviewed from the end of 2021. The bus  
stops at the intersection of S 170th ST and International Boulevard S, facing  
east bound on S 170th ST and at approximately 22:23:53, Piper exits the bus.  
I recognized the area based on my numerous years working patrol in the  
southwest precinct, and the 76 and Shell gas-stations that are located at the  
northeast and southeast corners of the intersection, respectively.

On 2/15/2023 at 1315 hours I met with witness S.P (whose identity is known to  
law enforcement) who knows Piper. S.P. advised that he lives in the same  
apartment building as P.E. and that P.E. had told him about the shooting and  
Dye's death. I explained to S.P that Piper was a suspect in the homicide. I  
asked him if I could show him some pictures of the suspect and see if he  
could confirm that it was Piper. He said that he was willing to do so. I then  
showed him still images of the suspect from the El Antojo restaurant footage  
and from the inside of Coach 7199 on 2/12/2023. S.P. immediately confirmed

1 each still depicted who he knew to be Piper. S.P. did not know where Piper  
was and did not have any means of contacting him.

2 I also spoke with F.K. (whose identity is known to law enforcement), who know  
3 both S.P and Piper. He stated that S.P. told him that Piper was wanted by  
4 KCSO for a shooting. F.K told me that Piper had stayed the night at his  
5 residence in Renton on Monday, 2/13/2023, and had left Tuesday morning,  
6 2/14/2023. F.K said that Piper had left a backpack at F.K's house that  
7 possibly had a gun in it. I asked F.K if I could come to his house and meet  
with him and he said that I could. F.K. stated that Piper showed up at F.K's  
8 residence unexpectedly on 2/13/2023 at around 1630 hours. F.K. let him  
9 inside and told him that he could stay in F.K's living room, but that he  
10 could not smoke or use drugs at the house, and he had to stay in the living  
11 room.

12 The next morning, 2/14/2023, F.K told Piper that he could not stay at the  
13 house and he needed to get on his way. F.K. agreed to give Piper a ride to a  
14 Park & Ride in Kent. When Piper got out of F.K's vehicle he asked F.K. if he  
15 could pay him to stay for one more night and F.K. said that he could not.  
16 Piper asked if he could come back to the house to get his stuff and said  
17 something about getting, "my thing". F.K. said that he knows that Piper was  
18 referring to a gun and asked him if he was, which Piper confirmed. Piper  
19 again told F.K that he had left his "thing" at F.K's residence and asked if  
20 he could come back to get it and F.K. told him that he could come by anytime  
to pick up his stuff.

21 F.K. returned home and learned that Piper had left a backpack and a reusable  
22 shopping bag in the living room of the house where he had stayed the night.  
23 He put them in a van parked in front of his house as he did not want them in  
24 the house. While at F.K's house, he showed me his van and looking through the  
25 windows I could see a black backpack and a reusable shopping bag full of  
miscellaneous items with the handles tied together. I immediately recognized  
the backpack as being one of the two backpacks that Piper was seen carrying  
on CCTV recordings from El Antojito and from the bus based on the backpack's  
outward appearance. F.K. gave me consent to open his van and retrieve the  
bags which were seized as evidence.

F.K had not seen nor heard from Piper since he dropped him off in Kent. I  
asked F.K. what Piper was wearing when he arrived on 2/13/2023 and he said  
that he was wearing a grey sweatshirt and black pants. I then showed F.K a  
CCTV still image from inside of the bus that shows Piper standing in front of  
the camera with his face exposed. I asked F.K. if he recognized the person in  
the photo and he said, "That's Eugene".

On 2/16/2023 a search warrant was authorized to search the backpack and  
reusable shopping bag. Numerous evidence items were located inside of the  
backpack and bag, including: 2x live Hornady Critical Defense 110-grain .38  
S&W cartridges, each containing a bullet similar in unique characteristics to  
that recovered from Dye's body during the autopsy; a loaded Herman Schmidt  
Double Action .22LR revolver; and numerous printed and handwritten documents  
with Piper's name, and photograph, printed on them, dated as recently as  
1/3/2023.

Based on all of the foregoing information there is Probable Cause that Piper  
committed the crimes of Murder in the 2nd Degree. Despite extensive efforts  
by KCSO and other law enforcement agencies to locate and arrest Piper, his  
current location is unknown.
