34th Annual Auction

I'm Still Standin'!

June 7th – 13th, 2021

Online

Dear Business and Community Members

We know that the first few years of a child's life are critically important in determining the trajectory of their development. These years represent a key window of opportunity to shape academic, social, and cognitive skills that determine success in school and in life. Early childhood education is expensive but vital. Since it was founded in 1977, thousands of local children have benefited from Fauntleroy Children's Center's (FCC) early childhood care and education programs. This would not be possible without support from businesses and community members like you!

This year FCC is preparing for its 34th Annual Auction and it will once again be a virtual event to ensure the safety of our community and families. With this year's theme "I'm Still Standin'!" we are asking you to reach into your hearts and help us raise \$50,000 to support the amazing work FCC does for children. Every dollar raised will go towards celebrating teacher accomplishments, as well as tuition assistance for families in need and other critical projects like technology and play structure upgrades. The COVID-19 crisis has tested us all and our dedicated group of educators have gone above and beyond in a global health crisis, adopting stringent cleaning protocols, and adapting to a new virtual world to keep the doors open so our children continue to learn, play and grow.

We would sincerely appreciate your support through donating a product, gift certificate, service, or by making a direct financial contribution in support of FCC. Every donation gets us closer to our goal!

The auction is on June 7-13, 2021 with an online catalog and bidding from the comfort of your home. As a thank you for your contribution, your business will be well publicized to hundreds of auction bidders including many community leaders. You will be listed in our auction catalog and in newsletters that are distributed throughout the Fauntleroy Children's Center community prior to the event.

FCC is a 501(c)3 organization and your donation is a tax-deductible charitable contribution. We depend on grants and donations to serve and invest in your community. Attached is a procurement form; to make a donation please return it to us by May 21, 2021. If you would like us to pick up your donated item, please contact us at (206) 932-9590 or auction@fauntleroychildrenscenter.org. We will follow up with you in early May to coordinate this request. Please also find attached information regarding sponsorship opportunities!

We sincerely thank you for your consideration. Your support helps make FCC a great place for children!

Fact Sheet

Fauntleroy Children's Center (FCC) is a nationally accredited non-profit center dedicated to serving families of the greater West Seattle area by offering high quality childcare with a skilled professional staff. Our mission is to enrich each child's social, emotional, intellectual, and physical growth.

FCC's 2021 fundraising goal is \$50,000. Proceeds raised will go towards celebrating teacher accomplishments, as well as tuition assistance for families in need and other critical projects like technology and play structure upgrades. The COVID-19 crisis has tested us all and our dedicated group of educators have gone above and beyond in a global health crisis, adopting stringent cleaning protocols, and adapting to a new virtual world to keep the doors open so our children continue to learn, play and grow.

While every single donation is valuable, "big ticket" donations/packages will be promoted in a "Hot Sheet" distributed to auction registrants and FCC friends prior to the event.

FCC's auction proceeds will serve over 120 local children ranging from one month to 13 years old.
